THESIS STATEMENT: CHASING ANGELS AND FAILING ARISTOTLE VOLUME 1 (PAPERBACK)

Michael Sinnes, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Chasing Angels Sometimes the only thing standing between a man and his worst nightmare is the angel at his side. Holt's life was almost perfect, but everything changed the night he came home to an empty house. Sera, his wife, left him when she learned about the un-mailed envelope he kept hidden away for more than a decade. The man who thought he had everything found himself alone, hiding a secret he could not bear to face. He found comfort in the arms of new angels, but the truth remained long after his loneliness faded. Now, the envelope is out of the office, and it's a delicate race against time to burn the past that could teach Holt how human he really is. Failing Aristotle One of two things happens when the unstoppable force meets the immovable object. They either destroy one another, or they are forever bonded. Mike spent his whole life chasing an impossible dream, but even a superhero needs an angel every once in a while. Jessica tried to ward off his demons, but even the highest order of angel is prone to error. They called one another friend, lover, and soul mate, but even the truest love must overcome life's ultimate antagonist, time. Mike needs Jessica's inspiration to conquer the world, but Jessica fears she will never be enough to satisfy his ambitious soul. What Mike must find is an ending he can begin with to fail Aristotle and win back the love of his life.
