Tyndale House Publishers, United States, 2011. Paperback. Book Condition: New. 183 x 132 mm. Language: English . Brand New Book. This six-book series centers around two 23rd century goofballs, Tuna and Herby, who travel back in time to study TJ Finkelstein for their history project. TJ will someday become a great leader who demonstrates honesty, integrity, thoughtfulness, self-sacrifice, respect for others--all traits she hones and grasps through her adventures in this series. Unfortunately, Tuna and Herby get stuck in TJ s time (modern day), so she has to deal with their schemes while juggling the normal issues of a seventh grader who has moved to a new city, is trying to fit in, and is coping with her mother s death and her family s new life. In New Kid Catastrophes, TJ accidentally makes an enemy of Hesper Breakahart, the superstar who attends their school. And Tuna and Herby s attempts to help just lead to one disaster after another. In the end, TJ is still very unpopular, but she learns the value of looking past appearances and gains a few friends--and the attention of the most popular boy in school.
