

## What the Giants Were Saying (Hardback)

By David Joseph Rix

Eibonvale Press, 2005. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The November air was cold, but not cold enough to still the energy of the great white towers. They spun and spun as always - huge sails whirling around, always seeming just slightly faster than they should be. What The Giants Were Saying is a dark-hued and surreal fable - a Pilgrim's Progress on the theme of creativity. It is an extreme horror tale of artist's block, tattoos, Don Quixote, copper wire . . . and wind turbines! Always wind turbines! It tells of a landscape artist desperately trying to escape his own feelings of mundanity and having hallucinatory encounters both with those great white whispering giants and a wild tattooed girl who pushes creative experience to the very limit and knows that the towers are the key to something remarkable. Tattoos, Windmills, turbines, human skin and copper wire . . . with these keys a world of supernatural change is unlocked - and supernatural creation. After all, what could creativity be like when such things as pain, life and death no longer have the same meaning? \* \* \* Cal...
