0.2in.ENDORSEMENTS Great book Samson has written. I like the foundation on the Scriptures and the priority of the family as Gods tool for shaping children and passing on faith to them. I like the way he looked for etymology of words in the original languages. I especially like the way he made it practical, giving parents specific things to do with their kids and ways to work with them. I also liked the home activities he provides for people at the back. Thank you for including our biblicalparentinguniversity.com site in additional resources. Good job. Dr Scott Turansky National Center for Biblical Parenting USA The quality of parenting you give to your children, influences everything in their lives. It is the foundation of their future. Education cannot erase the impact of bad parenting in a child. It can be likened to applying bandage on an internal injury! There is no room for assumptions in parenting. In this book, Samson Iyayi offers you a timeless tool for Godly parenting. He is a rare parenting blacksmith of this generation.
