Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. After years of prosecuting hard-core criminals, rising legal star Alan Bell took a private sector job in South Florida s newest skyscraper. Suddenly, he suffered such bizarre medical symptoms, doctors suspected he d been poisoned by the Mafia. Bell s rapidly declining health forced him to flee his glamorous Miami life to a sterile bubble in the remote Arizona desert. As his career and marriage dissolved, Bell pursued medical treatments in a race against time, hoping to stay alive and raise his young daughter, his one desperate reason to keep going. He eventually discovered he wasn t poisoned by a criminal, but by his office building. His search for a cure led him to discover the horrifying truth: his tragedy was just the tip of the iceberg. Millions of people fall ill and die each year because of toxic chemical exposures - without knowing they re at risk. Stunned by what he discovered, Bell chose to fight back, turning his plight into an opportunity. Despite his precarious health, he began collaborating with scientists dedicated to raising awareness about this issue. Soon, he also found himself drawn back into the legal field, teaming up with top lawyers fighting for those who had already fallen ill. Both a riveting medical mystery and a cautionary tale, this book puts a human face on the hidden truths behind toxic dangers assaulting us in our everyday environments - and offers practical ways to protect ourselves and our children.
