

Tales of the Shadowmen 10: Esprit de Corps

By -

Hollywood Comics. Paperback. Condition: New. 448 pages. Dimensions: 9.0in. x 6.0in. x 1.3in. In this very special tenth anniversary issue of Tales of the Shadowmen, the only anthology dedicated to international heroes and villains of pulp literature, we find a pantheon of contributors from Australia, Canada, England, France and the United States, all celebrating those great detectives and master villains who enchanted our adolescence. Rocambole is here, facing the schemes of Captain Nemo. Arsne Lupin conspires to steal the Maltese Falcon from the clutches of Doc Savage! Rouletabille untangles the wiles of that master thief, the Cat! And there are also vampires and monsters, ghouls and zombies, as well as the familiar figures of Sr Dubnotal, Doctor Omega, DArtagnan, Phileas Fogg, and the villainous Black Coats! The feelings of loyalty, enthusiasm and devotion--in other words, esprit de corps--that we feel towards those cherished figures is as undiminished today as it was when we were in our teens. They are more than fictional characters; some are our companions, our reflections, who have followed us all our lives! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This pdf is wonderful. This can be for anyone who statte there had not been a well worth studying. You are going to like just how the writer write this pdf.
-- **Mrs. Adriana Schmidt V**

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
