## THE COLOUR DESIGN SOURCE BOOK

Peters & Small Ltd Ryland, 2001. Gebundene Ausgabe. Book Condition: Neu. Gebraucht - Gut good condition, has some shelf wear; and has been read - In this exciting new title, leading authority on interior design, Caroline Clifton-Mogg, guides you expertly through every aspect of using colour in the home, from finding inspiration for a scheme to adding the perfect finishing touches. Caroline explores each colour in depth, delving into the nuances of the interior decorator's palette. But no colour works in isolation, and successful combination is the only way to achieve a winning design scheme. The Colour Design Source Book shows a wide range of classic and unusual looks - sometimes subtle and sophisticated, sometimes bold and humorous, but always stylish and inspirational. The book also offers advice on using colours to create the atmosphere you want or to affect the shape or size of a room. Finally, the mysteries of professional colour finishes are unravelled, from selecting the right paints for the job to applying decorative finishes or even using textiles to cover your walls. 192 pp. Englisch.
