## WATCHING WILDLIFE (PAPERBACK)

University of Minnesota Press, United States, 2006. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book. This book offers a vivid examination of nature television - and what it reveals about human society. It has never been easier for Americans to observe wild and exotic animals from the comfort and safety of their couches. Several cable channels - Animal Planet, the Discovery Channel, the National Geographic Channel - provide around-the-clock wildlife programming while the traditional networks regularly broadcast...
