By Hugo Gernsback

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.It s a spoof. It s a look into today s tomorrow. In 1944 and 1946 Hugo Gernsback was publishing an electronics magazine that was titled Radio-Craft. You may or may not remember it. During this time, that same Hugo Gernsback send to many friends, associates, advertisers and others he deemed worthy, his forward looking little mini-magazines, which were takeoffs on his own publication. The first one, Mini Radio Craft, doubled was issued as a promotion for the Electronic Distribution Show. The second one, Radio-Cracy served as his 1944 Christmas Card. Both are fun, both predict things to come, and both are assembled here for those of us who did not have the honor of being on his mailing list. Enjoy!!!

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
