Fastpencil Inc, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In order to know football, in order to have credibility in the national conversation, you have to know the rules and where they apply. For that, you need to go back to the basics; back to where it all started. Where fundamentals are taught, where the rules are enforced, where character traits are developed, where the fun is, where the excitement is, where everyone has a place. You need to go back to youth football where the How is more important than the What.
