Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

THE SPELLSON WAR (PAPERBACK)

St Martin s Press, United States, 1999. Paperback. Condition: New. Language: English . Brand New Book. Praise for The Spellson Cycle : I read slowly, tis true, but I stayed up until 2:30 to finish The Spellson War. . That s a good indication for any reader that Modesitt tells a damned good tale. Even if you re a tenor. --Anne McCaffrey One of the premier voices in fantasy. A highly original new series that promises to enthrall us as much or more than the popular Magic of Recluse collection of books. Mr. Modesitt is a fabulous world builder who once again creates a milieu so compelling that it seems like we actually go there with the plucky heroine. -- Romantic Times Magazine The gritty details of this world make it as real as any in science fiction. As usual, Mr. Modesitt s sense of power makes the fantastic background more plausible. -- Philadelphia Press Review Resplendent feminist fantasy with an inventive and expertly handled scenario, life-sized characters, and flawless plotting. -- Kirkus Reviews.
