Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book holds the key to keep you going on in life until you hit your desired destination as a Christian or better put, until you fulfill your destiny in life. Truth be told, you have a glorious destiny hence must not trade it for anything - although there are forces all around which are poised at shortchanging you. Right in your hand is a Revelation born out of a passion to see that you arrive at your God ordained destination. It contains raw power to help you persevere through and it provides support in form of motivation to take you along on your life s journey. Really, there are enemy-forces that contend with us or that we must contend with on a daily basis and these forces come in various shapes and shades - but believe me what they are contending for are those things which we have examined in this book. Those are the major components that make up your existence and how well you are doing in these three areas determines how long and how well you will live. Nearly two decades of my life experiences have gone into this work, so you cannot neglect it. It is a compass and an inspiration conceived and written under the influence of the Holy Spirit just to lead you to your ultimate destiny in God. Be blessed as you read!.
