The Little Book of Sequencing Skills

By Keri Finlayson

Bloomsbury Publishing PLC, United Kingdom, 2013. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book. The activities and suggestions in The Little Book of Sequencing Skills will help you and the children in your care to explore a range of creative ways to develop sequencing skills. The ability to sequence events and objects is essential for young children s learning and the ability to put thoughts and actions into sequence is important for the development many competencies. Sequencing skills are often associated with communication and literacy but the ability to predict what will come next, whether it be in a mathematical pattern, following instructions, understanding patterns of letters and sounds, or understanding the consequences of actions is imperative across all areas of learning. There are many ways of developing sequencing skills. This book hopes to offer the early years practitioner a variety of practical, creative ways to help with the understanding, recognition and manipulation of sequences and to do so within the context of a variety of areas of learning.

Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
