Even after everything the Clan has endured, Angus has always held onto his scientific leanings. He doesn't trust her, but she soon becomes an obsession he can't seem to shake. A woman who defies every logic. Single mother Maggie comes from a long line of magical women, but she walked away from that part of her life. When Angus bursts into her life, she tries to ignore the handsome Scot, but soon finds that she needs his protection. She knows he's not normal, but she never expected him to be the one man who could capture her heart. A need they could not deny.
