

Non Stop Inertia (Paperback)

By Ivor Southwood

John Hunt Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. In our culture of short-term work, mobile communications an rolling media it seems we are always on the move; but are w really getting anywhere? Non-Stop Inertia argues that this appearance of restless activity conceals and indeed maintains a deep paralysis of thought and action, and that rather than being unquestionable or inevitable, the environment of personal flexibility and perpetual crisis which we now inhabit is ideologically constructed. Written from inside this system of precarious employment and debt-driven subjectivity, illustrating its arguments with actual examples and using theory to make connections and unlock meanings, the book shows how in our constant anxious pursuit of work and leisure we are running on the spot against a scrolling CGI backdrop. As performative labourers full-time jobseekers, social networkers and consumer-citizens, we are so preoccupied by the business of being ourselves that our real identities are forgotten and our dreams of resistance buried.

Reviews

Extensive manual! Its this kind of very good read through. I actually have read and that i am confident that i am going to planning to study once again once more in the future. I am easily could possibly get a delight of looking at a composed publication.

-- **Ryder Purdy**

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).
