This was the moment I d been waitng for. I dived. The icy water was a terrible shock. I went down, down, down. Then the U - boat s black shadow came between me and the surface, the hulk trailing weed and rust. As I kicked myself upwards my hands touched something smooth and round, with a small propeller sticking out from it. I shot to the surface, gasping from fear and lack of air. Denny was coming towards me in the Gaok. I yelled, keep away! There s a half fired torpedo under her. A superior thriller Daily Mirror.
