

Psychological Secrets of Business Superstars Revealed

By Smart Biz Guides

Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.BE THE SUCCESS THAT YOU WERE MEANT TO BE: Every business has a beginning, every superstar begins with a small step. This book studies the psychological principles used by people who have created history in the business world. These are simple and yet very important strategies that will change your way of thinking and doing business. This book has been designed to address those types of deeper psychological needs of your customers which you need to identify and then address effectively. Here the authors have provided information that is specific and detailed enough to be usable in your own business to generate profits. Business hints and techniques that they have learnt by studying the business tactics of the superstars - things they have learnt the hard way. These psychological secrets will help you develop fantastic business plan ideas, and create sales and marketing plans that really work and bring in substantial measurable profits. These powerful strategies are not industry specific, because in most cases they deal with business basics that reach across a wide range of business types,...
