

The Principles of Riding: Basic Training for Both Horse and Rider 2017 (Paperback)

By -

Quiller Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The first edition of The Principles of Riding was published more than 50 years ago, imparting mandatory basic knowledge for all areas of equestrian sport and horse-keeping and this 28th edition, Basic Training for Horse and Rider, has been completely revised regarding language and content, while still taking into account the well-established principles. The consideration of traditional principles leads to the education and training of the horse according to its nature and thus to its health, well-being and performance capability. The horse's instincts and natural behaviour are presented in detail as the basis of communication and understanding between horse and rider. Modern scientific research relating to training theory and biomechanics has influenced the systematic training of the rider as well as that of the horse. The Principles of Riding provides versatile, practical assistance to horse lovers and readers of this book who want to learn, irrespective of whether they ride for leisure or competitively, are interested in hacking or hunting, or want to develop and improve their basic training for dressage, show-jumping or eventing. These Principles should be indispensable for all riders, drivers, trainers...

Reviews

It is one of my favorite books. Sure, it is actually engaging, nonetheless an interesting and amazing literature. I am happy to let you know that this is basically the finest book I have ever studied inside my very own existence and might be the finest publication for ever.

-- **Randal Reinger**

A new electronic book with a new point of view. It was written extremely completely and beneficial. It has been written in an extremely straightforward way in fact it is simply following. I finished reading this publication through which really altered me, altered the way I really believe.
