Reviews

*It is really an remarkable ebook that I actually have ever study. It is actually loaded with knowledge and wisdom You will not truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).
(Mr. Norval Reilly V)*

NINE OF STARS: A WILDLANDS NOVEL (PAPERBACK)

HarperCollins Publishers Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. From critically acclaimed author Laura Bickle (Dark Alchemy) comes the first novel in the Wildlands series, NINE OF STARS. Longmire meets Patricia Briggs's Mercy Thompson in this exciting new series that shows how weird and wonderful the West can truly be. Winter has always been a deadly season in Temperance, but this time, there's more to fear than just the cold. As the daughter of an alchemist, Petra Dee has faced all manner of occult horrors - especially since her arrival in the small town of Temperance, Wyoming. But she can't explain the creature now stalking the backcountry of Yellowstone, butchering wolves and leaving only their skins behind in the snow. Rumors surface of the return of Skinflint Jack, a nineteenth-century wraith that kills in fulfillment of an ancient bargain. The new sheriff in town, Owen Rutherford, isn't helping matters. He's a dangerously haunted man on the trail of both an unsolved case and a fresh kill - a bizarre murder leading him right to Petra's partner Gabriel. And while Gabe once had little to fear from the mortal world, he's all too human now. This time, when violence hits close to home, there are no magical solutions. It's up to Petra and her coyote sidekick Sig to get ahead of both Owen and the unnatural being hunting them all - before the trail turns deathly cold.
