TAKE THE LEAD, GEORGE WASHINGTON: AN INSPIRATIONAL BIOGRAPHY OF THE CHILDHOOD YEARS OF THE FIRST U.S. PRESIDENT! (PAPERBACK)

[DOWNLOAD](#)

Puffin Books, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The inspiring biography of our first president's childhood years George Washington wanted to be a Virginia gentleman like his brother Lawrence until he got the chance to go on a wilderness trip as a surveyor's assistant. It was a difficult--and even dangerous--journey. At times, George got discouraged, but his grit and determination kept him going. This early trek into the American frontier was a turning point for George, and it proved he was ready for any challenge. from being a general in the Revolutionary War to becoming the first president of the United States! Full-color illustrations. Includes bibliography! Both writer and illustrator have been so thorough in their renderings of Washington's life that older readers could actually use this book as a starting point for research on George Washington. A must have for parents and librarians alike. --Children's Literature Both words and art dramatically capture and chart Washington's personal evolution. --Booklist About the Turning Point series: Sometimes there is a happening in our lives that changes the way we think about ourselves and sends us along a new path. These turning points can come when we are young--through a person we meet, an experience we have, a difficulty we overcome. Since 1789, only a small number of people have been president of the United States. What has made these individuals unique? Was there a turning point in their lives that caused them to change direction and set them on a path that led them to the White House? --Judith St. George.
