BROADWAY BOOKS, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. You re alone. You re vulnerable. And you have something that someone else wants. At any cost. Claudia Morgan-Brown finally has it all. Pregnant with a much-wanted first baby of her own, she has a happily established family of two small step-sons and a loving husband with a great career. But she is also committed to her full-time job as a social worker, and her husband travels often. So when Claudia hires Zoe to help her around the house in anticipation of the baby s arrival, it seems like the answer to her prayers. But despite Zoe s glowing recommendations and instant rapport with the children, there s something about her that Claudia cannot trust. Moreover, there has been a series of violent attacks on pregnant women in the area, and Claudia becomes acutely aware of her vulnerability. With her husband out of town for work and her family far away, who will be there to protect her? And why does she feel unsettled about Zoe? Realizing appearances can be deceiving even in her seemingly perfect world, Claudia digs deeper into Zoe s blurry past and begins to wonder - how far would someone go to have a child of her own? Riveting from its very first pages, *Until You re Mine* is a multilayered masterwork of twisted, psychological suspense. Readers of *Before I Go to Sleep* and *Turn of Mind* will be enthralled by this multilayered novel, featuring a twisted plot that ends in a breathtaking and shocking finale. From the Hardcover edition.
