MODELS OF VALUE: EIGHTEENTH-CENTURY POLITICAL ECONOMY AND THE NOVEL (PAPERBACK)

Duke University Press, United States, 1996. Paperback. Condition: New. New. Language: English . Brand New Book. James Thompson examines the concept of value as it came to be understood in eighteenth-century England through two emerging and divergent discourses: political economy and the novel. By looking at the relationship between these two developing forms-one having to do with finance, the other with romance-Thompson demonstrates how value came to have such different meaning in different realms of experience. A highly original rethinking..
