VITAMIN D STATUS IN ADOLESCENT GIRLS

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Modifiable Lifestyle determinants and its effect on bone metabolism markers and bone mass acquisition | Vitamin D deficiency has suggested that not only a biochemical abnormality, but is also associated with adverse effect of poor bone mineralization in growing children and adolescents. The findings of the present study clearly demonstrate that vitamin D deficiency occurs in a high proportion of adolescent girls, regardless of what 25(OH)D level is used to define vitamin...

Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Ms. Teagan Osinski III**

This pdf is great. It is actually rally exciting through reading time. Your daily life span is going to be transform when you comprehensive reading this pdf.
