The answer is the difference between you becoming a side toy for a man to play with or a girlfriend with a title and eventually a woman who any man would be eager to call his wife. Many of us modern 21st century women have been taught that in order to get a guy we have to go out there and snag him, trick him, tag him and drag him home. But that doesn't work -- at least not in the long run. Men are natural hunters. They won't always admit it, but they absolutely LOVE the chase. They want a woman who has the traits described in this guide. They want to earn a woman's love. This simple, easy-to-follow guide explains how you can shake off meaningless flings with men and start to attract men who are serious about you. What You'll Learn: How to avoid Friends with Benefits and Booty Calls How to recognize when a man is just toying with you and waiting for something better to come along Why some men love bad girls and strippers The single most irresistible thing about a woman What makes a man fall in love, I mean head over heels for you You ARE deserving of real, respectful love in your relationships. Don't allow anyone to convince you otherwise. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
