THE BOOK OF PROMETHEA (PAPERBACK)

University of Nebraska Press, United States, 1991. Paperback. Condition: New. Language: English . Brand New Book. In writing *Le Livre de Promethea* Helene Cixous set for herself the task of bridging the immeasurable distance between love and language. She describes a love between two women in its totality, experienced as both a physical presence and a sense of infinity. The result is a stunning example of *Pécriture feminine* that won kudos when published in France in 1983. Its translation into English by Betsy Wing will extend the influence of a writer already famous for her novels and contributions to feminist theory. In her introduction Betsy Wing notes the contemporary emphasis on fictions of presence. Cixous, in *The Book of Promethea*, works to repair the separation between fiction and presence, trying to chronicle a very-present love without destroying it in the writing.
