Waiting Dog Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Billie's life is right on track. Solid. She has a girlfriend to hang out with and an internship to build her resume until she goes back to U Dub next fall. But when her girlfriend bails on her and she inherits her dad's farm in Milepost, Idaho, you could knock her over with a feather. Milepost is a world away from Seattle in more ways than one. There's no good coffee, the locals are a mixed bag, and there is no social life whatsoever. As for the farm - the chickens try her patience, everything she owns is covered in poop, and the goats may prove her undoing. There's no doubt she is in over her head just getting the place ready to sell, and her mom and best friend are frustratingly supportive without giving her any answers. Luckily, she has help from a hired man of sorts, an attorney she happens to be named after, a gorgeous librarian/cowgirl, and a bunch of people she doesn't even know. The road to making a decision is definitely rocky, and soon she begins to ask herself: How can she go back to the big city after being down on the farm?.
