## HUNTER S MOON

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What s the worst thing that can happen to a scientist? For Adam Boone, it was to see something that defied scientific explanation. When he was in high school, one of friends vanished during an autumn hailstorm in a flash of light; an event only he saw. Unable to explain what happened, he lied to the authorities investigating the disappearance. Already mistrusted as an outsider in his own home town, the incident caused him and the other friends who were on the hill that night to be shunned by his neighbors. Adam left Milltown, North Carolina after high school graduation, attended college and achieved his dream of becoming an archaeologist. After a near-fatal accident, Adam returns to his home state. He reconnects with his old high school friends and must face, once again the events of that night. Why have he and the others received letters taunting them about that night, hinting of future retribution? What can any of them do when faced with the abduction of their children and murder? What is the connection to that night? And why is Adam the only one who ever left Milltown? Will they find the answers under a Hunter s Moon?.
