Missing Links
Capacity Building for Food Security and Agro-
Industrial Development in Nigeria

LAP Lambert Academic Publishing, Germany, 2010. Paperback. Condition: New. Language: English . Brand New Book. The book posits that the fundamental failure of the Nigeria Nation State to achieve sustainable level of food security arises from the challenges in poor funding of education, poor integration and development of food and agricultural sciences education and training which translate to low human capacity development. The book reviews the state of Nigerian agriculture, food production, agro- industrial development, agricultural academic curricula and consequently...
