Trafford Publishing, Canada, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every word in this memoir is true. C ante Ishta, the author s pen name, is Lakota for the Eye of the Heart. With this Eye, C ante Ishta watches and listens as few human beings do, observing the signs and miracles so often missed. This is the amazing story of the synchronicities, miracles, and the White Buffalo Woman s angelic intervention that united C ante Ishta with his soul mate from across the world. He says, I had been prepared for open communication with the spirit world. The way God set up all the Karmic Circles in my life allowed me to see the connections between all of the seemingly insane experiences in my life. I am sure everyone has the same intricate connections in their lives, I am no different. I have simply been blessed to be given the opportunity to see my life flash before my eyes in what has essentially been a seven-year-long near-death experience. This book is one of a kind in it s acknowledgement of the White Buffalo Woman as a powerful prophet, angelic personality and divine force that is positively influencing the course of the human experience in a joint effort with Jesus Christ to make World Peace a reality.
