## RED MONKEYS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When a once proud and honorable man, who has been reduced to an appalling and pathetic existence, witnesses an act of violence, the warrior within is re-ignited. And all Hell breaks loose. Part Sin City, part The Girl with the Dragon Tattoo, part God knows what. Red Monkeys (a 32,000 word, VERY gritty novella) puts a bag over your head and drags you into the seediest of urban underbellies. Against a Modern Noir backdrop, and through a shocking 1st person narrative, we are launched into the sick world of a broken, desperately alcoholic, degenerate anti-hero. His existence is a drunken, fragmented, roller coaster of humiliation that gives new meaning to hitting rock bottom. Haunted by his tragic past, and teetering on the edge of oblivion, he literally stumbles upon an event that will change his life forever. Tapping into something long dead within his soul, his heroic nature is resurrected. His surprising metamorphosis brings him face to face with the absolute scum of the Earth. Unfortunately for them, they stand in the way of: The Mission. Tirelessly driven by his burning need for Justice and Redemption, he transforms into a cold-blooded vigilante. But is he Savior or Monster, or both? This is the story of the darkest of flawed heroes. His surprising moral conscience compasses him through a depraved world on a disturbing, gripping, gut-wrenching journey. Will it end with his salvation, his death, both? \*WARNING: Extremely graphic and disturbing imagery. If you re not sure you want to go there- Please, don t even read the first sentence. Seriously. But for those who can stomach it, it s a helluva ride that you ll never forget.
