By Norman W Kingsley

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Treatment of Congenital Cleft Palate: Read Before the Society of Dental Surgeons of the City of New York, at the Cooper Institute, September 27th, 1865 Mr. President and Gentlemen: - Allow me to thank you for the honor you have done me in inviting me to address you on this occasion, and also to thank the joint committee of the New York and Brooklyn societies, for their efforts to make the evenings devoted to the discussion of the treatment of Cleft Palate interesting to both dentists and surgeons. To comply as far as possible with the arrangements of that committee, in devoting two evenings to this subject, I propose at this first meeting and in this paper to direct your attention to the evils of this deformity, and a discussion of the relative merits of surgical operations and mechanical appliances for their remedy; and the subsequent meeting to a description of the means used in the construction and adaptation of artificial palates. An experience of over six years, and the successful application of artificial vela...
