Brand New Book ***** Print on Demand *****.The end of a caregiving experience leaves you a new person, yet without the time and perspective to adjust to that newness. It also brings up a conundrum-how do you move forward as this new person when you're missing the one who just died? After Caregiving Ends, A Guide to Beginning Again accompanies you as you cope with two losses-the loss of your caregiving role and the loss of your family member or friend. As a former family caregiver, you have access to information about grieving and settling an estate and selling a house. Organized into seven sections, After Caregiving Ends, A Guide to Beginning Again features practical tips, helpful insights and comforting perspectives of former family caregivers adjusting to life after caregiving. Then in the blink of an eye, our caregiving journey ends and our lives are changed in oh-so-many ways. Suddenly we become a caregiver to ourselves with little direction on what to do. In Denise...
