I had no idea how far my gift would take me. Walking among the dead has led me to believe that each have a story. Not all can and will be told immediately. Another soul comes to visit and shares how her murder has affected her. The dead nurse tells me who killed her and my mother is dating him. There are others that fell prey to this man and I find their bodies that tell the tale of murder! Tabitha refused to believe that her new boyfriend had a dark side. I knew better. Anyone walking this planet is capable of killing another living being if pushed hard enough. That was how I saw it. My mother didn't know how far the good doctor would be pushed until she was taken from me. I will stop at nothing to see this man in a jail cell.
