

This Is Graceanne's Book: A Novel

Filesize: 1.95 MB

Reviews

Extensive information for book fanatics. Better then never, though i am quite late in start reading this one. I am just delighted to tell you that this is basically the best pdf i actually have go through within my personal daily life and might be he greatest pdf for actually.
(Guillermo Marquardt)

THIS IS GRACEANNE'S BOOK: A NOVEL

St. Martin's Griffin, 2001. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Much can be learned about life and growing up from Graceanne's book."--Library Journal "Growing up is always hard, but even more so for Whitney's young protagonists who live in the tumultuous 1960s, on the wrong side of the tracks, with an abusive mother. Charlie, a quiet, club-footed, nine-year-old boy, narrates this story of his creative, smart, and wild older sister, Graceanne. He watches her become a teenager through beatings and other punishment and shares her innermost ideas and pain by reading her diary. After their mother confiscates the diary, he continues to keep her stories in his head. Graceanne incurs their mother's wrath for a number of reasons--the friendship of their next door neighbor (a black girl named Wanda), ice sculptures of a mixed-race baby Jesus, baseball games, and a college boyfriend named Collier--and yet, grows up a survivor. It is the unbreakable spirit of both Charlie and Graceanne that keeps this story afloat. While hurting along with them through the abuse, readers will cheer for them as they struggle to grow up."--Ellie Barta-Moran, Booklist "[A] wonderful novel . . . Between one Independence Day and the next, as in a Brothers Grimm fairy tale, on Huck Finn's Mississippi, in John Kennedy's Camelot, looked down upon by heavenly astronomers, two children must save each other from an alcoholic father (the Combat Soldier), an abusive mother (the Queen of Egypt), the Ugly Blue Man, the Black Santa, degrading poverty and violent shame. Although just thirteen herself, Graceanne will protect her younger brother, Charlemagne, from the terrifying and arbitrary power of adults--with poetry and magic, kingfisher stories and Elvis records, ice babies and cornstalk silk, scarecrows and arrowheads, Catechism of the Mackerel and the...
