There are thousands of self-published authors who are making six figures from their Kindle eBooks every year. In fact, some of self-published authors even bring in seven figures every year from their Kindle eBooks. When most self-published authors put their content on Kindle for the first time, they expect Amazon to do all of the work and bring in hundreds or even thousands of sales every month. However, the newly self-publisher author quickly realizes that Amazon does not promote every Kindle eBook equally and gets trapped. These newly self-published authors search all over the web to learn how they can get their Kindle eBooks more exposure and sales. I remember being in the same situation. It took me over a year before I figured out powerful and reliable methods that can be used to increase Kindle eBook sales. After testing these methods and comparing results with other self-published authors, I was able to write 77 Powerful Methods To Get More Kindle eBook Sales. This book will show you how to 1. Growing a powerful audience on social media. 2. Effectively...
