This FastReads Analysis offers supplementary material to Proteinaholic: How Our Obsession with Meat Is Killing Us and What We Can Do About It to help you distill the key takeaways, review the book's content, and further understand the writing style and overall themes from an editorial perspective. Whether you'd like to deepen your understanding, refresh your memory, or simply decide whether or not this book is for you, FastReads is here to help. Absorb everything you need to know in under 20 minutes! What does this FastReads Analysis Include? A synopsis of the original book Key Takeaways Review and analysis from each section A short bio of the author Supplementary Info Recommended Reading About the Original Book: Garth Davis, M.D. kicks off with a titled confession as a recovering proteinaholic. A bariatric surgeon, weight-loss expert, author and television celebrity, Davis launches into an argument for plant-based eating over the other trends in the modern-day dieting industry. Not so much against animal protein as it is for plant-based eating, the topics vary from chronic illness to anthropology. In short, the battle against American obesity can be won. The discussion offers tasty morsels for both layman and academic, supported by scientific research, personal victories and medical sense. BEFORE YOU BUY: The purpose of this FastReads Analysis is to help you decide if it's worth the time, money and effort reading the original book (if you haven't already). FastReads has pulled out the essence-but only to help you ascertain the value...
