In the days to come the visiting teacher will prove to be one of the most important of all public service individuals and will find in training for community work the basis for outstanding success. The visiting teacher has been described as the agent of adjustment of conditions in the lives of individual children to the end that they may make more normal progress; and this end is attained by visits, first to the school, then to the home, then to the county superintendent of public welfare or other cooperating agency, thus gathering up the loose threads and focusing them upon home, school and community. No less than special classes the school of democracy will have its visiting teachers alongside the superintendent of public welfare to help make democracy real in the unequal places. THE SCOPE OF PROFESSIONAL COURSES In addition to the regular graduate...
