Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In retrospect, 1968 was a pretty good year to come unglued. Young people were questioning everything, so when Jim Edwards old life fell suddenly apart, he went off in search of a new, more authentic way to live. Jim soon slipped down the hippie rabbit hole to live among the weird, hoping to explore the uncharted regions that lie beyond common sense, while also trying to keep Nixon from shipping his ass off to war or prison and, who knows, maybe even get laid now and then. Chasing Rabbits takes a picaresque turn when its narrator decides to hitchhike through Europe for a month. As Jim sets off to visit his college roommate, then a Peace Corps volunteer in Tunisia, the road takes hold, leading him from Tunis to Algiers and then south across the Sahara, through the Sahel and down to southern coast of West Africa. It is 1970, and Jim invites his readers to hitch with him through the last remnants of traditional Africa, as he travels to remote villages, camps on the Dogon cliffs of Bandiagara and explores the medieval mud cities of Mali. By the time he goes back across the Sahara and into Morocco, a year has passed and Jim has come to see his life through the eyes of a traveler. Readers will delight in the array of bizarre characters that can only be encountered on the fringes of civilization: A Basque separatist on the lam, the Madame General of the Red Light district in Accra, jazz poet Ted Joans, the snake man and Chicago the speed freak, Baba Roo from Timbuktu, con men, draft dodgers, drug mules, road wraiths, and Mohammed the tough guy father figure...
