By United States Government Us Army

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Army techniques publication ATP 4-14 Expeditionary Railway Center Operations May 2014 provides authoritative doctrine for rail operations that support unified land operations. It describes the organizations, processes, procedures, and systems involved in the rail operations across the range of military operations. It is written to explain the functions of Expeditionary Railway Center (ERC) service in a theater of operations. It provides basic information for commanders and staffs of supporting units and for staff officers of higher headquarters. It provides guidance to our joint and multinational partners on how Army rail contributes to sustainment in joint and multinational operations. This publication applies to a range of military operations and supports Army doctrinal reference publication (ADRP) 3-0, Unified Land Operations, and Army doctrinal publication (ADP) 4-0, Sustainment. The intent of this ATP is to support strategic reach, operational reach, and enable operational endurance. The principle audience for ATP 4-14 is all members of the profession of arms. Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range...
