In this book, Premonition of Samantha Rae, a little girl stuns her family when she dreams about a necklace. She had never seen it before and it looked like the one her grandmother had lost. After it was mysteriously found in a bag where a toy was supposed to have been, many questions arose. Where did it come from? Could the necklace have wanted to find her? Is it good, evil, or both? How come she is the only one that can communicate with it? Her mother and grandmother want to get to the bottom of it, but the dad just brushes it off as a coincidence. Then, later in life when Samantha Rae grows up, she is finally faced with a decision whether to keep it or get rid of it for good. This item ships from La Vergne, TN. Paperback.
