## A CHRISTMAS QUARTET: POETIC REFLECTIONS ON THE NATIVITY

CSS Publishing Company. Paperback. Book Condition: New. Perfect Paperback. 72 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. An outstanding writer and preacher shares with readers a different approach to the season: four verse sermons on characters from the Christmas narrative (Mary, Joseph, the shepherds, and the wise men), each accompanied by a chapter providing relevant background material on the featured character. Its an intriguing combination that lends itself equally well to preaching or to Bible studies -- for example, you can build a four-week Advent program around the poems. And there are four suggested orders of service provided that emphasize the message of the sermons. In a lessons and carols format, theyre perfect for Christmas Eve -- but they also work well for Advent gatherings or potluck dinners. Youll find a variety of ways to use these creative and thoughtful meditations that portray familiar characters in a fresh, new way. Carters sermons are an eruption of ingenious images, powerful experiences, and inventive connections. The result of interplay between creativity and fidelity, they are a splash of wildflowers growing in rich and loamy soil. Thomas G. Long Bandy Professor of Preaching Candler School of Theology, Emory UniversityI appreciated your last book of sermons. Iola and I have been reading the chapters as we travel on the road. They give us great comfort and inspiration. Thanks! Dave Brubeck Heres a preacher who knows how to swing, and a musician who says something every time he plays. Eugene L.
