By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Canada Lancet and Practitioner Members of the Toronto Academy of Medicine, Gentlemen: I regard the invitation to address you a great honor, and I hope that my acceptance may not be wholly without profit to you, and I can assure you that it is a great pleasure to me. Much of my research work has been devoted to a study of the chemistry of bacteria. I have not succeeded in exhausting this field, and it is probable that I have falsely estimated even the meagre results which I have obtained, but I offer my contribution with the hope that it may induce others to enrich it. As my purpose in the start was to study the chemistry of bacterial cellular substance, my first task was to secure this material in large amounts, and fairly free from contamination. After many failures, I succeeded in doing this by means of my tanks for massive cultures, the construction and operation of which I will demonstrate by slides at the close of the hour. I have been able to...
