MINDS ON TRIAL: GREAT CASES IN LAW AND PSYCHOLOGY (HARDBACK)

Oxford University Press Inc, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. Everyday, in courtrooms everywhere, people s lives are touched and shaped by judgments and verdicts influenced by the testimony of psychologists and other mental health experts. This casebook details 20 high-profile court cases that turned, at least in part, on the expertise of forensic psychologists and psychiatrists and involved such psychological issues as insanity, criminal profiling, capital punishment, competence to stand trial, infanticide, domestic...

Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

-- **Mrs. Maybelle O'Conner**

The ideal ebook i actually study. It usually does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).
