

## Jotd the World s Greatest Computer Joke Book (Paperback)

By Hershel Remer

Rabbs, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The greatest computer joke book ever! Written by a professional comedian/computer network administrator/rabbi, JOTD boldly makes fun of the world of computer technology, corporate America, and everything else. With a slant towards UNIX and Solaris, it gives great detail to operating systems to satisfy the most astute nerds, but offers enough broad range to reach anyone in the office world. JOTD is outrageously funny where humor doesn't even seem possible to show itself - deep inside the world of Geekdom. And, JOTD isn't just a compilation of wimpy one-liners, but is a collection of full-length caustic satires, zany scripts, and mature material. And, best of all, JOTD is low in fat and cholesterol.
