Bolinda Audio, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 173 x 137 mm. Language: English . Brand New. Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird s adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this highly addictive series (Romantic Times), in which Zoey s mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Just when it seems things couldn t get any tougher, vampyres start turning up dead. Really dead. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth. Cast reeled me in from paragraph one. I snorted and giggled through the whole thing, and devoured it in one sitting. MaryJanice Davidson, New York Times bestselling author of the Undead series.
