## Is the Bible Literal or Spiritual?

By B Mae Morris

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This teaching book is like a journey. It reveals the story of Jesus Christ as he continues to live through us, beginning again as a babe in a manger (our flesh), growing in wisdom and stature through his teen-age years to adulthood. It is like reading my story and your story as the environment from the word of God develops us into His image. This understanding has come without the pressure of molding to any given doctrine within the walls of denominationalism. We have freely gleaned from the scriptures themselves and what the Holy Spirit has revealed to us, as we have come to know Him. When we can lay down our walls, we can form a more complete picture of God s purpose.
