Moonshine Media, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Bicycle Sharing 101: Getting the Wheels Turning provides a practical roadmap from conceptualization to implementation of a Public Bicycle System. Aimed at anyone who wants a real-life look at getting a system going, the book details how to take the concept of bicycle sharing and to implement it in the diverse political, economic and social environments around the globe. It s about applying bike sharing theory to the real world, getting to enjoy that first ride, and seeing it transform a city. With the recent successes of internationally prominent bike sharing systems in almost every region of the world, there is a plethora of facts, figures and comparisons available. What has been lacking is a practical, all-encompassing guide on how to set it all in motion. Sustainable transport specialist Bradley Schroeder combines advice on developing a robust physical design with a well-developed operational and financial plan that can navigate the diverse landscapes that are the reality in every community.
