UNIVERSITY OF EXETER PRESS, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. The story of the migration of the Cornish people throughout the world is an epic. First and foremost a maritime land, with links to the greater world beyond these islands stretching back into prehistoric times, Cornwall has experienced waves of emigration throughout its long history. The Cornish Overseas details the global impact of the most recent of these waves - the `Great Emigration that lasted for a little more than a century from 1815 until the First World War and after. Cornish historians have long recognised the international significance of this wholesale scattering of the so-called Cousin Jacks and Jennies, but have yet to fully understand the consequences of this phenomenon. Including much new research undertaken in recent years, Philip Payton illustrates the effects on each region of the incursion of the Cornish diaspora. Philip Payton is one of the world s leading scholars of the movement of Cornish people over time, both within the United Kingdom and to the major mining and agricultural districts of the world. His accessible narrative covers the United States, Canada, New Zealand, South Africa, continental South America and elsewhere. The story of the migration of the Cornish people throughout the world is an epic. Philip Payton is one of the world s leading scholars of the movement of Cornish people over time, both within the United Kingdom and to the major mining and agricultural districts of the world. His accessible narrative covers the United States, Canada, Australia, New Zealand, South Africa, continental South America and elsewhere, and includes much new research undertaken in recent years. From the Introduction: Cornwall is one the great emigration regions of Europe. First and foremost a maritime land, with links to a greater...
