

Multiplication and Division Workbook: Fun Daily Multiplication and Division Worksheets for Elementary Students (Paperback)

By Reza Nazari, Somayeh Nazari

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Workbook. Language: English . Brand New Book ***** Print on Demand *****.Best Math Workbook for Elementary Students! Multiplication and division are the most important operations that students learn in the first few grade levels at school. Learning the multiplication tables and basic division operations facilitates the learning of long division, most fraction math, and factoring. Therefore, mastering these two math skills is among the most important things in a child's Math learning journey from 6 to 10 years old. It opens doors and brings out their full potential in many ways. But often children can need a helping hand when it comes to understanding the concepts of multiplication and division. In this Multiplication and Division Workbook, students can learn the basic math operations in a structured manner. In the book, you will find a complete home-study program to help children practice the essential math skills. The book is in-depth and carries many great features, including: - Lively layout and easy-to-follow explanations - Fun, interactive and concrete - Targeted, skill-building practice - About 100 ready-to-reproduce practice pages - Easy-to-follow directions and fun exercises Designed for after school study and self-study,...
