She knows what she wants, and knows how to get it. A summer internship in her mother's office is perfect for a young woman with aspirations of climbing the political ladder. With the Senator squarely in her sights, Leila is positioned to add another notch on her bedpost as she pads her resume. As she spent more time with him, her plan took an unexpected turn which had her dazed and confused. A new emotion, one she was not familiar with, began to grow within...
